Re: Satish Jella

To Whom It May Concern:

This letter serves as verification that Satish Jella provides contracted services to PIMCO at our offices located at 650 Newport Center Drive, Newport Beach, CA 92660 pursuant to a service contract between BCI-IT and PIMCO. As a UI Developer, he will be responsible for:

- Gather the requirements from business analysts and convert them into a working piece. Develop the application with advanced Angular 5 framework, Prime NG, HTML5, SCSS which is coded in typescript programming language.
- Create User interface screens which are responsive and dynamic which can fit into all types of devices.
- Worked on integrating Micro strategy and SSRS reports with the PAY web Application.
- Perform unit testing and debugging of the application and assert values coming from each method
- Develops application with tools like visual studio code, webstorm for Angular 5 and Postman, fiddler for verifying the response and web traffic from the server.
- Perform creation of application builds and deployment of application into cloud.
- Actively Involved in Understanding functional specifications and developing creative solutions to meet business requirements and for releasing the enhancements within the specified timeline

The minimum education requirements to perform these job duties are a Bachelor's Degree (or the equivalent) in a field closely and directly related to the nature of work.

This is a long-term project and can be further extended based on budget availability. We expect Satish Jella to perform above duties at PIMCO on a long term basis with periodic extensions, but this should not be construed as a promise, contract or guarantee of any kind or for any purpose.

PIMCO is not Satish Jella's employer and does not retain control over Satish Jella's employment. BCI-IT retains control over terms and conditions of employment, including but not limited to, the right to hire, fire, pay, supervise and control the individual's work.

If you have any additional questions or require details regarding employment, please contact BCI-IT.

Sincerely,

Krystal Nguyen
